

August 2002

Project Purpose:

This project will enhance mobility and increase safety of pedestrians, especially school children, crossing State Route 99. Pedestrians will benefit greatly from this much needed improvement.

Description:

The Goshen Pedestrian Overcrossing is on State Route 99 located at Avenue 308, just south of the Betty Drive/Elder Street interchange (PM 40.8) in the Community of Goshen. The proposed overcrossing will cross over State Route 99 in close proximity of Goshen Elementary School, greatly improving safety and Pedestrian mobility.

Construction Cost: \$ 2.8 million

Completion Date: Summer 2004

Funding Sources:

Traffic Congestion Relief Program (TCRP),
Congestion Mitigation Air Quality (CMAQ),
Tulare County Transportation Enhancement Activities (TEA),
State Highway Operation and Protection Program (SHOPP), and
Safe Routes to School funds for construction in the 2003-2004 fiscal year.

Agency Responsibilities:

Caltrans: Design, Planning, Right of Way acquisition, Construction Management.
